

CMC MARINE, INC. MODEL 7050 HYDRAULIC ACTUATOR

CMC Marine, Inc. is an ISO 9001 compliant manufacturer of top quality linear 12V DC hydraulic actuators. Available in 5, 8 and 12 inch stroke lengths, these actuators are designed for 12V DC applications such as dump beds for utility vehicles, ATV and garden tractor attachments and implements, tilt trailers, jack plates and tilts for outboard motors, aircraft towing devices, trailer tongue jacks or any application that requires portable power. These proven actuators are shipped full of fluid, tested and ready for operation.

For 120V AC applications, such as medical equipment, trash compactors, material handling, platform lifts, table lifts and many others, a convenient 120V AC adapter is available.

ELIMINATES THE NEED FOR HYDRAULIC LINES

The Model 7050 Hydraulic Actuator is completely self contained with its own fluid reservoir. It incorporates the pump, motor, reservoir, and cylinder all in the same housing, eliminating the need for hydraulic lines.

CAN BE UTILIZED IN VIRTUALLY ANY ENVIRONMENT

The model 7050 Hydraulic Actuator is made of 100% non-ferrous materials and totally submersible. It contains a no-leak seal and wiper that keeps dirt and water out of the working parts.

Model 7050 Actuator Specifications

- Motor Type: Permanent Magnet 12V DC
- Fluid capacity: 20 cu. in. (0.7 pint)
- Weight with Fluid: 12.5 lbs.
- Body: 6061 -T6511 Aluminum Alloy
- Rod: 6061 T6 Aluminum Hard Core Anodized
- Fasteners: 18-8 Stainless Steel
- Stroke Length: 5 in.
- Thrust (Extend): 5000 lbs. min.
- Thrust (Retract): 3750 lbs. min.
- Rate of Travel: 15 in. per minute

The Model 7050 Actuator shown above is available in 5" stroke length. 8" and 12" stroke actuators are also available. All CMC actuators include a 6' cord set from the motor. For detailed information of all of our actuators, please go to our web site at www.cook-mfg.net/actuators.

Industrial and Consumer Applications

- ATV Tilt Beds
- Snow Blades
- Aircraft Tow Devices
- Outboard Motor Jack Plates
- Outboard Motor Tilts
- Trailer Tongue Lifts
- Trailer Leveling Devices
- Lawn Tractor & ATV Implements
- Drum Dolly Lift
- Lift Tables
- Platform Lifts
- Construction Equipment
- Agriculture Equipment
- Personal Handicap Equipment
- Material Handling Equipment
- Adjustable Seat Mechanisms

Aero-Tow GetJet 1800 Aircraft Mover

CMC Outboard Power Tilt

CMC Outboard Power Lift

Midsota Mini Dump

Model 7495 AC Adapter

Input : 120V AC 15 amps max
Output : 12V DC 15 amps
continuous, 40 amps intermittent

For applications that require AC power, the CMC model 7495 AC adapter is available for convenient conversion from 12V DC to 120V AC.
